### Guidance notes

---

These guidance notes are to help you to understand your insurance. They do not form part of the contract. In all situations you must read the guidance notes with the main text in this document.

This document is a contract of insurance between you and us.

We rely on the information you supply. If that information is not accurate or complete, you may not be covered by this insurance.

**Remember** - You must tell us about any change in the information you supplied or any change you want us to make to the document. If you don't you may not be covered by this insurance.

## Data protection notice

---

It is a condition of this insurance that you read and accept the terms in this data protection notice. You should show this notice to anyone covered by the insurance.

This notice explains how we may use your details and tells you about the systems and registers we (and others) have in place to detect and prevent fraud. You must tell us about any incident (such as an accident, fire or theft), whether or not you will make a claim. When you tell us about an incident, we will pass information about it to the relevant agencies. We may search the databases held by those agencies when you apply for insurance or make a claim.

We may record phone calls you make to us and use the recordings to prevent fraud, for staff training and for quality-control purposes.

### Motor Insurance Database

Your policy details will be added to the Motor Insurance Database (MID), run by the Motor Insurers Information Centre (MIIC). The DVLA and DVLNI may use information from the MID for Electronic Vehicle Licensing and the police may search the database to find out who is insured to drive a vehicle and to prevent and detect crime. If you are involved in an accident (in the UK or abroad), other UK insurers, the Motor Insurers' Bureau and MIIC may search the MID.

People with a valid claim after a road traffic accident (including people living in other countries) may also get relevant information which is held on the MID. You can find out more about this from us or by visiting [www.miic.org.uk](http://www.miic.org.uk).

You should show this notice to anyone insured to drive the vehicle insured under this policy.

### Preventing and detecting fraud and claims history

Fraudulent insurance applications and claims increase premiums for all insurance policyholders. To prevent and detect insurance-related fraud, at any time we may check your details with fraud-prevention agencies and databases including the Claims and Underwriting Exchange, the MID, Insurance Hunter, the Credit Industry Fraud Avoidance System and the Motor Insurers Anti Fraud and Theft Register.

If you give us false or inaccurate information and we suspect fraud, we will record this. It is important that you give us accurate information. We and other organisations may also use and search these agencies and databases to do the following.

- Help make decisions about credit and credit-related services for you and members of your household.
- Help make decisions on applications for motor, household, credit, life and other insurance.
- Help make decisions on claims for you and other drivers under this insurance.
- Check your identity to prevent money laundering, unless you give us other satisfactory proof of your identity.

If you have any questions, or would like more information about this notice, please write to The Compliance Manager, Peter James Insurance.

- is claiming for loss of or damage to any insured vehicle or property belonging to them;
- is claiming for death or injury to any employee during the course of their work other than accidents the Road Traffic Act applies to;

- We do not have to settle claims for damage caused by sparks and ashes if the vehicle is not fitted with a device for stopping sparks.

## Exceptions to section 1

---

**This section of your insurance does not cover the following.**

- Anyone who can claim for the same loss from any other insurance.
- Loss of or damage to any property belonging to (or in the care of) anyone we insure and who is making a claim under this part of the insurance.
- Loss of or damage to any vehicle covered under this insurance.
- Death of or injury to any person arising out of, and in the course of, their work for you or any other person claiming under this insurance. This does not apply if we need to provide cover under a relevant law.
- Death of or injury to the driver or the person in charge of the vehicle.
- Any liability, loss or damage arising while the vehicle is being used for rallies and working demonstrations other than as a result of an accident the Road Traffic Act applies to.
- Any liability, loss or damage caused by sparks or ashes from the vehicle if it is not properly fitted with an efficient device to stop sparks.

## Section 2 - Loss of or damage to your vehicle

---

### **This cover only applies to your vehicle**

We will insure your vehicle against loss or damage caused by:

- accidental or malicious damage and vandalism;
- fire (including your vehicle bursting into flames), lightning and explosion; or
- theft or attempted theft, or your vehicle being taken away without your permission.

### **Accessories**

Your vehicle's spare parts and fitted accessories are insured in the same way as long as they are used only with your vehicle, are kept in, on or adjacent to your vehicle and fall within the maximum amount we pay, as shown below. The most we will pay for accessories is £2000.

### **For a claim under this section we may either:**

- pay for the damage to be repaired; or
- pay an amount of cash for you to replace the lost or damaged item;

You must first pay any excess shown in the schedule.

### **The most we will pay will be either:**

- the market value of your vehicle (including its accessories and spare parts) immediately before the loss up to the value shown in the schedule;
- the agreed value; or
- the cost of repairing the vehicle;

whichever is less.

We will not pay the cost of any repair or replacement which improves your vehicle or accessories to a better condition than they were in before the loss or damage. If this happens, you must make a contribution towards the cost of the repair or replacement. This contribution would be on top of any excess you have to pay.

## Guidance notes

---

Under this section we will provide cover when your vehicle suffers loss or damage caused by the events shown opposite.

Your vehicle's accessories or spare parts are also covered as long as they are permanently attached to your vehicle.

These are the ways we may settle your claim.

The market value of your vehicle is the cost of replacing it with one of the same make, model, age, type and condition.

We will not pay for any part of a repair or replacement which leaves the vehicle in a better condition than it was in before.

## Guidance notes

---

If your vehicle cannot be driven after an accident, we will pay the cost of removing it to the nearest repairer or your home address.

This section shows you what you have to do if your vehicle needs repairing after an accident.

If your vehicle becomes a write-off and we offer you a payment, the insurance will end for that vehicle when you accept the payment

### **Transport after an accident**

If your vehicle cannot be driven after an accident, we will pay the reasonable cost (where necessary) of taking your vehicle to your home address or to the nearest suitable repairer and then returning it to your last known address after the repairs. Do not try to move the vehicle if this could increase the damage. If unnecessary damage is caused as a result of you trying to move your vehicle, we will not pay any extra cost arising from that damage.

### **Repairs**

If your vehicle is damaged in a way which is covered by this insurance, you must get an estimate and immediately send it to Peter James Insurance, with a full report of the incident, so we can agree whether the repairs can be started.

### **Write off (total loss)**

If your vehicle is considered to be a write-off (that is, if the cost of repairs is greater than the market value of the vehicle), we will offer you an amount as compensation. This insurance for your vehicle will end when you accept that offer. If we ask, you must return the certificate of motor insurance and the schedule before we pay the compensation. This insurance for your vehicle will end when you accept that offer. The vehicle will remain your property.

### **Financial interest**

If the vehicle is a write-off and it belongs to someone else or is under a hire-purchase or leasing agreement, we will normally pay up to the market value of the vehicle to the vehicle's legal owner.

### **Windscreen damage (comprehensive cover only)**

You may claim for damage to your vehicle's windscreen or windows, and for any bodywork scratched by broken glass from the window or windscreen. This cover does not apply to damaged sunroofs, roof panels, lights or reflectors, whether glass or plastic.

- If the repair or replacement is carried out by a windscreen repairer approved by us, you will have unlimited cover and will only have to pay the first £50 of each claim.  
You should phone the windscreen helpline shown in the list of emergency helplines we sent with your insurance documents.
- If the repair or replacement is carried out by any other repairer, you will have unlimited cover but you will have to pay the first £100 of each claim.

### **Loss of or damage to other vehicles**

We will not cover loss of or damage to any vehicle which you are driving or using and which you do not own, you are not buying under a hire-purchase agreement or is not leased to you (unless that vehicle is shown in the schedule).

### **Guidance notes**

---

If the vehicle is a write-off and it belongs to someone else (including a hire-purchase or leasing company), we may settle the claim directly with them.

This section provides cover for damage to glass in the windscreen or windows, including the cost of supplying and fitting.

This section also covers scratches to the bodywork as a result of this type of damage. You should phone the windscreen emergency helpline shown in the list of emergency helplines sent with your insurance documents if your windscreen or windows need repairing or replacing.

You will have to pay an amount towards a claim for glass damage.

We do not pay for loss or damage if the vehicle is not your own, unless it is shown in the schedule.

## Guidance notes

---

**Important** - There are certain circumstances which are not covered and these are shown opposite.

It is important that you take all reasonable measures to avoid loss or damage. You should take as many precautions as you can to protect your vehicle. (For example applying the steering lock, fitting alarms, strong chains and padlocks.) If you fail to secure your vehicle, your insurance may not cover you.

### Guidance notes

---

This section shows the cover provided for claims made by other people for injury to them or damage to their property while the vehicle is used for rallies and working demonstrations.
